

All of your vision and dental charges are covered, the smiles are always free.

What is a Limited Health Care FSA?

A Limited Health Care Flexible Spending Arrangement (FSA) is an easy way to set aside pre-taxed dollars directly from your paycheck to use towards your vision, dental and preventive health care expenses.

Don't let your hard earned money get away from you! A Limited Health Care FSA can help you save money on expenses you already have.

Save money on:

- Dental Expenses
- Orthodontia
- Vision Expenses
- Lasik Surgery
- Preventive Health Care
