

Save time and stay informed with **myBCBSRI**

Whether you're at the doctor's office, on the road, or at home, your **myBCBSRI** account lets you quickly check benefits, review claims, and much more—on the app or on the website.

Everything you need in one location.

With one log-in for the app and website, you can:

- View your BCBSRI benefits
- Select or update your primary care provider (PCP)
- Find doctors and labs in your health network
- Compare costs for medical tests and procedures
- Review detailed claims data
- Check your deductible or health savings account (HSA) balance, if applicable
- View all family members covered under your plan
- Assign a delegate
- See your digital member ID

One helpful account. Two easy ways to access it.

Download the **myBCBSRI app** from your favorite app store and start using it with your current **myBCBSRI** log-in.

Never used myBCBSRI? You can register your account right in the app or at myBCBSRI.com. Just have your BCBSRI member ID handy.
