

THE WELLNESS COMPANY
FLU CLINIC POLICY & GUIDELINES IN RESPONSE COVID-19

All precautionary steps follow current RIDOH and CDC protocols for COVID-19.

STAFF PROTOCOL

- Mandatory orientation with additional COVID-19 training
- Staff screened prior to each clinic
- Increased staff at all clinics
- All staff required to wear Level 1 Surgical Mask and face shield
- Nurses required to wear medical gloves, change gloves between patients and practice appropriate hand hygiene

REGISTRATION PROCESS

- Clinic flier emailed to all participants
- Online registration required
- Appointment times support social distancing
- Online consent forms printed and sent to clinic
- Electronic signature provided, no need for client to sign

HAND SANITIZER PROVIDED

- Pump hand sanitizers available throughout clinic
- Alcohol based and meets safety guidelines

ON-SITE CLEANING AND DISINFECTING

- Tables, chairs, and high touch areas disinfected prior to clinic
- Common touch areas cleaned throughout clinic
- Chairs and vaccine station disinfected between clients
- Entry and exit doors to remain open to eliminate touching of handles

MANDATORY PRE-SCREENING AT CLINIC ENTRANCE

- COVID-19 Screening Tool posted at clinic entrance
- Client must read and answer all questions
- Clients that answer YES to any of the questions denied entry

FACE CLOTH COVERING REQUIRED

- All participants must wear cloth face covering
- Supply will be available for those in need
- Exceptions: children under 2 or those with medical exemptions

SOCIAL DISTANCE MAINTAINED

- One-way traffic flow from entrance to exit
- Floor markers to ensure social distancing
