

HOW TO FIND A PRIMARY CARE PROVIDER

A STEP-BY-STEP GUIDE

Quick Tip

If you are viewing this document online, please skip to slide 10 for links that will take you directly to the PCPs in your network.

STEP 1: GO TO WWW.BCBSRI.COM/FINDDOCTOR

 Individuals & Families ▾ Medicare ▾ Covered by Employers ▾ Q Search Log in

FIND A DOCTOR

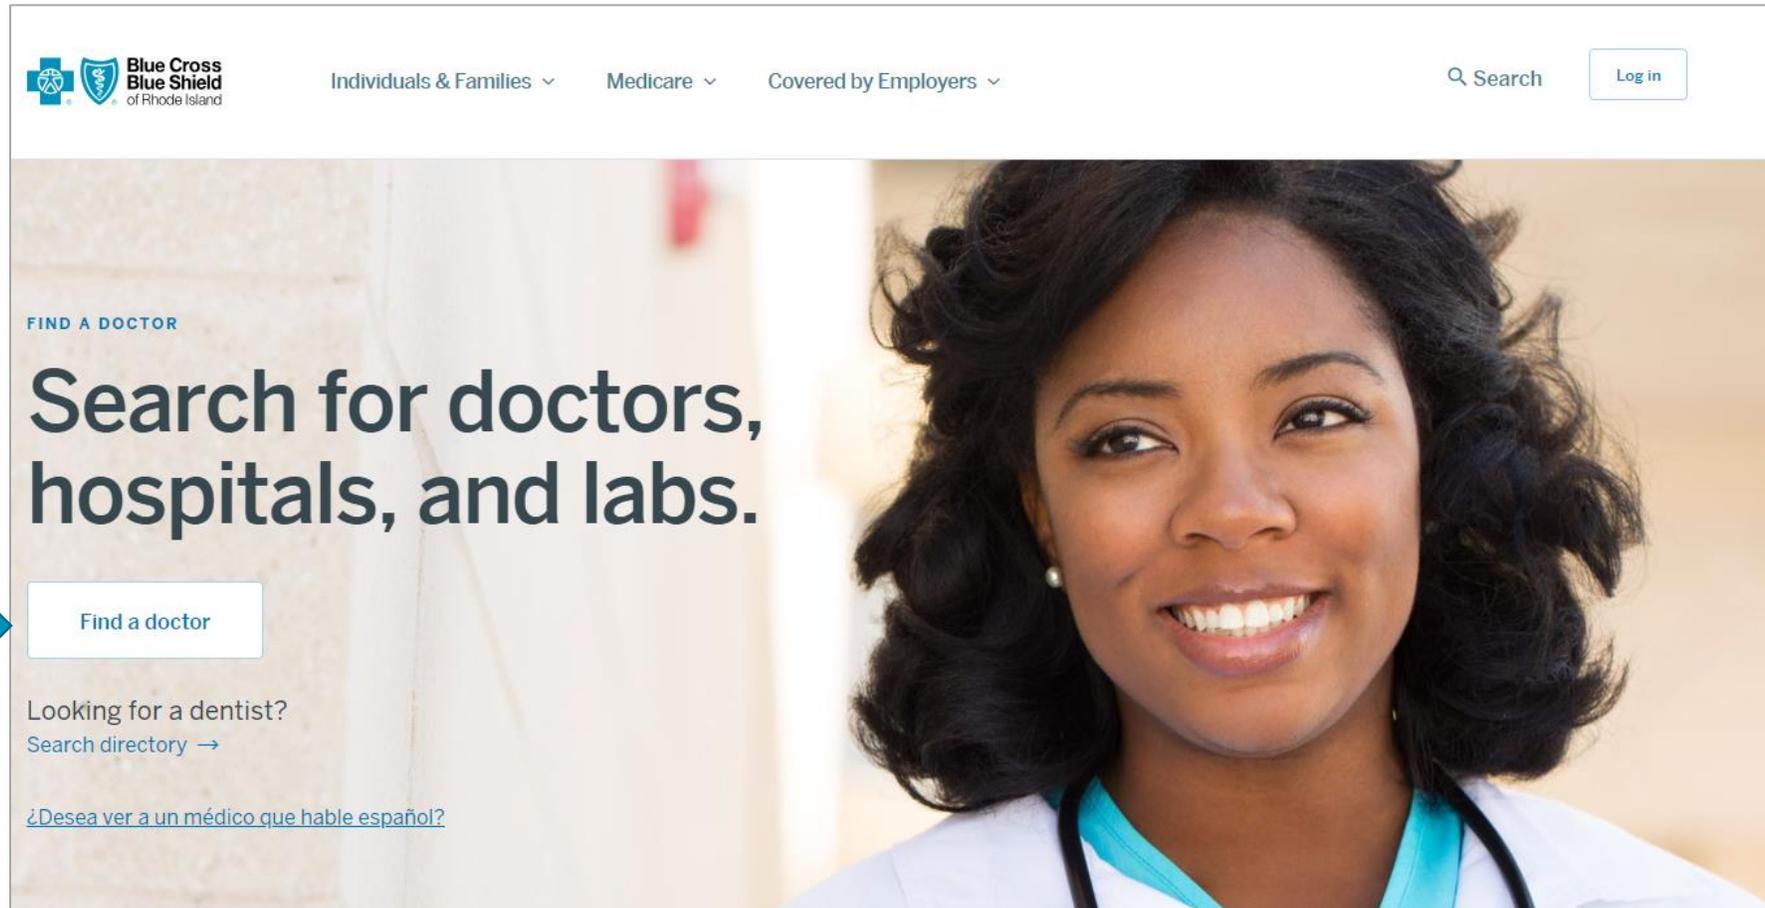

Search for doctors, hospitals, and labs.

[Find a doctor](#)

Looking for a dentist?
[Search directory →](#)

[¿Desea ver a un médico que hable español?](#)

STEP 2: CLICK ON 'FIND A DOCTOR'

Blue Cross Blue Shield of Rhode Island

Individuals & Families ▾ Medicare ▾ Covered by Employers ▾

Search

FIND A DOCTOR

Search for doctors, hospitals, and labs.

Looking for a dentist?

[¿Desea ver a un médico que hable español?](#)

STEP 3: CLICK ON 'ALL PLANS'

The screenshot shows a web interface for searching healthcare providers. At the top, there is a navigation bar with a search icon, the word "Dashboard", and a "LOCATION" dropdown set to "Providence, RI". To the right of the location is a "PLAN" dropdown menu with "All Plans" selected and highlighted in orange. A large blue arrow points from the right edge of the screen towards this "All Plans" button. Below the navigation bar, a large blue banner contains the text "Hello, What are you searching for today?". To the right of this banner is a white informational box with the text: "For in-network matches, enter your plan before you search. If you use All Plans to find doctors or places you may not get the best results." and a link that says "Ok, I understand". Below the banner are four search filters: "Doctors by name" (with a person icon), "Doctors by specialty" (with a stethoscope icon and subtext "Find doctors in your network who specialize in certain conditions"), "Places by name" (with a location pin icon), and "Places by type" (with a building icon and subtext "Search for in-network hospitals, labs or urgent care clinics near you"). Below these filters are two buttons: "Search all" and "Advanced search". At the bottom of the page, there is a white box with an icon of a document with an arrow pointing right, followed by the text "Get detailed patient ratings and information for doctors and facilities." To the right of this text are two buttons: "Sign Up" and "Log In", separated by the word "or".

STEP 4: FIND YOUR PLAN

TYPE IN YOUR PLAN NAME:

ACTIVE ANCHOR PLANS

Back Find your plan by name

Your plan name can be found on the front of your health plan ID card. Start typing your plan name below and we'll help you find it.

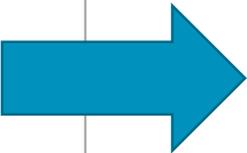

PLAN NAME

STEP 9: FIND YOUR PROVIDER'S NATIONAL PROVIDER ID (NPI):

If you are designating PCP(s) via Workterra, the State's online enrollment system, you will need to obtain their 10-digit National Provider Identifier (NPI).

On the provider results page (see Step 8), click on the provider's name. The NPI is listed toward the bottom of the page, on the left-hand side.

Please note: If you're designating a physician's assistant or nurse practitioner as your PCP, the NPI number displayed may be for the provider's overseeing doctor. This means that when you receive your BCBSRI ID card it may reflect the name of the overseeing doctor, not the physician's assistant or nurse practitioner you regularly see.

The screenshot displays a provider profile for Lidia A. Vognar, MD, affiliated with Affinity Physicians. The profile includes a placeholder for a profile picture, a 'Compare' button, and a location pin for 300 Richmond St, Providence, RI 02906. Contact information includes a main phone number (401) 430-2000 and a note that the provider is 0.4 miles away with a 'Directions' link. Service details include office hours, specialties in Internal Medicine, and a list of services: accepting new patients, wheelchair accessibility, primary care provider status, and 56 accepted plans. At the bottom, the National Provider ID (NPI) is listed as 1912148198, which is highlighted with a red rectangular box. Other details include languages spoken (English), gender (Female), and board certifications in Geriatric Medicine and Internal Medicine. Group affiliations are listed as 'No information available' and admitting privileges are noted as 2.

NEED ASSISTANCE?

Call the **BCBSRI State of Rhode Island Employee CARE Center:**

- **(401) 429-2104** or **1-866-987-3705**
- CARE Center hours are Monday–Friday, 8am–8pm and Saturday, 8am–12pm.
