

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-866-987-3705 or (401) 429-2104 or TDD 711 or visit us at www.BCBSRI.com. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why this Matters:
What is the overall <u>deductible</u>?	For In Network providers \$1500 for an individual plan / \$3000 for a family plan. For Out-of-Network providers \$2250 for an individual plan / \$4500 for a family plan.	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your <u>deductible</u>?	Yes. Doesn't apply to most preventive services.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain preventive services without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	No	You don't have to meet deductible for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u>?	For In Network providers \$3000 for an individual plan / \$6000 for a family plan. For Out-of-Network providers \$4500 for an individual plan / \$9000 for a family plan.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, the overall family <u>out-of-pocket limit</u> must be met.
What is not included in the <u>out-of-pocket limit</u>?	Premiums, balance-billed charges and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u>?	Yes. See www.BCBSRI.com or call 1-866-987-3705 or (401) 429-2104 for a list of <u>network providers</u> .	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	No	You can still see a specialist without a referral, however, your costs associated with the office visit may be higher.

- All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
